

## Kindergarten Book Box:

### Supplies Needed:

- \*Empty Regular Size 19 oz or so cereal box, about 10 or so inches tall, 7 to 9 inches wide and 3 or so inches deep
- \*scissors
- \*ruler
- \*pencils, markers, paints, stickers or anything you'd like to use to decorate the box
- \*gift wrap, construction paper, photos, glue or spray adhesive

### Instructions:

Place the box on the table, upright, measure about 5 or 6 inches up the box, from the bottom

Mark & cut around the box about 5 or 6 inches up so that you are left with a box that has 4 sides but no top- this will be your child's book box for the classroom & home

Get Creative- decorate the "box" any way you and your child would like- you can use wrapping paper, stickers, photos, crayons, markers, whatever you'd like

Bring the box in to school on the first day or during the first week of school, we will be using the boxes all year. You may want to make an extra box that your child can use at home for all of the books that we will be making so that your child has a place to store them once they are sent home for you to enjoy.
